## VOLUME 2 – FALL 2007

### “JAM” NAMED FINALIST IN PRESTIGIOUS COMPETITION!

“Jam” was named a finalist in The Artist's Magazine's prestigious 24<sup>th</sup> Annual Art Competition. “Jam” was one of a number of finalists in the Still Life category from thousands of entries. The painting and Steve will be listed in the December 2007 issue of the magazine. For more information on the competition, check out their website at [theartistsmagazine.com](http://theartistsmagazine.com).

“Jam” is one of my most complex paintings – it took over 80 hours to complete. I used a number of toy cars, many of which were ones I've had since I was a kid. Love showing this image to others – many guys my age recognize some of the cars. “I had that one too.” “Jam” is 24” x 36” and is available as a signed, numbered, limited edition of 100 giclée on canvas. Order this award-winning artwork at [SteveScheuringFineArt.com](http://SteveScheuringFineArt.com) before it sells out!

### GIVE THE GIFT OF ART

As the holiday's approach, consider giving the gift of art. I've created a new series, “Places,” that feature 8” X 10” or 10” X 8” images of various places that I love – Penn State, New York City, various cheesesteak shops in Philadelphia, Seattle, and The North End in Boston, among others. Each is available as a signed, numbered limited edition of 10 or 15 giclée on German etching paper. Image size is 8” X 10” with a 2” boarder on each side. So, they're ready to frame in a standard 12” X 14” frame. Go to the website, click on “Available For Purchase” and sort under the “Places” series for all the artwork in this series. Order in time for the holidays!

## FALL'S BOUNTY

I love Fall. Pumpkins. Halloween. Football. The crispness in the air. Had fun painting "Harvest Market" (below) featuring a small farmer's market pretty close to my home. Every year we take the kids to this location to pick apples. Signed, numbered limited edition giclées are available – please check them out on the website in the "Available For Purchase" section. The other paintings shown below are in the "Private Collection." Please contact me at [Steve@SteveScheuringFineArt.com](mailto:Steve@SteveScheuringFineArt.com) if you're interested in a giclée of these paintings.

## FRIDAY NIGHT FIGHTS

Have always been a fan of the fights. When I moved back to the greater Philadelphia area in 1996, I read an article about the legendary Blue Horizon, a fight club in Philadelphia that's consistently ranked the best fight venue in the U.S. (#2 is Madison Square Garden!). Went to one fight, and was hooked. Been going ever since. Hall-of-fame fight promoter Russell Peltz recently moved to The New Alhambra and has maintained the magic at this new venue. Was inspired to paint a number of fight-themed paintings featuring the Alhambra. Check them out below. "Friday Night At Alhambra" (A) is available as a signed, numbered limited edition giclée. This painting was featured on the program cover of a Peltz-promoted card last November. And, the "About Steve's Technique" section of the website has an interactive display that discusses my painting technique and inspiration – it's a pretty cool feature. Click on the "paint" button and watch this painting being created, step by step, before your eyes. Check it out.
