## VOLUME 15 – FALL 2011

### “GRIDLOCK” FINISHED

This is the original layout I wanted for “Jam” – the first of my toy-themed car paintings completed a few years ago – but, I opted for more of an angled format after reviewing the reference photos. The idea of doing an overhead grid stayed with me, and I decided to try again once I picked up a number of toy cars that had fun, cheesy, junk food consumer-culture sponsors. This painting is 48” X 36” and is available as a half-size print on German etching paper. “Gridlock”, “A Pile of Soldiers”, and “Fitting In” are now available as signed, numbered, limited edition of 15 prints. Get them before they sell out at [stevescheuring.com](http://stevescheuring.com).

Been a fun Summer. Was part of the Salmagundi Club open show this Summer in New York City. Was part of the “Inside/Out” show at the Goggleworks. And, completed “Gridlock.” Have a bunch of new paintings in the works. Have a bunch of new pieces available for sale. And, will be part of the Direct Art magazine issue coming out this month. Thanks for your continued support.

## STEVE IN GOGGLEWORKS SHOW...

Was invited to participate in a group show at the Goggleworks in Reading, PA this past May. The theme of this show was "Inside Outside: A broad interpretation of space and place on the edge and in between." Was excited to have "Crash", one of my toy car-themed paintings, featured in this exhibit.

## ...AND THE SALMAGUNDI CLUB SHOW IN NEW YORK CITY

Was invited back to participate in New York's prestigious Salmagundi Club open show. This private artists' club holds a non-member show once a year - "Jam" was part of this year's show in July. Have had the privilege to exhibit a few times in New York City - the Salmagundi Club is a great venue - enjoyed mingling with many artists I recognize and admire.

## STEVE FEATURED IN DIRECT ART MAGAZINE

Was recently selected to be part of Direct Art Magazine's Volume 18 - I'm featured in a 2-page article that shows four of my paintings. Direct Art magazine is pretty cool - it's published by Tim Slowinski, a New York City artist specializing in surrealistic political art. I encourage you to pick up a copy of the magazine - available at major book sellers like Borders in their magazine stand art section. But, be warned - my paintings are probably the most conservative artwork featured in Direct Art. Some of the work is pretty trippy. Some is "intended for mature audiences only." ## STEVE IN NYC IN NOVEMBER

"Fitting In" was recently selected for exhibition in the Allied Artists of America Show in New York City. The show runs from November 4<sup>th</sup> through 20<sup>th</sup>, 2011. The show will be held at the National Arts Club, 15 Gramercy Park South, New York City.
